Date of Birth: 27 May 1997

Personal/Profile Career Aim

I'm interested in the world of both Arts and Science. It aspires me to become a world-renowned engineer that creates innovative products by combining the knowledge of the two to its advantage, to improve our society.

Key Skills/Achievements

NEXT Academy Graduate with Certificate of Excellence

1. Ruby on Rails
2. Javascript (Jquery, Ajax, AngularJS)
3. AWS (S3 cloud service)
4. HTML, CSS
5. Python (basics)
6. API (external such as Braintree)
7. Postgresql (database)
8. MySQL (database)

Hobbies/Interests

I love everything about music production and coding. I'm a self-taught guitarist, music producer, coder, etc. I enjoy creative directing, meeting new people and exploring ideas together. I am also active in sport activities such as playing badminton, table tennis, but my favourite sport is swimming.
